You Can't Evict An Idea – Occupy London On Film (2018)

50 word synopsis

You Can't Evict An Idea reveals how the belief in leaderless groups and 100% consensus develops and matures in 12 occupiers including the filmmaker, via their experience of Occupy London, the most influential protest in Britain this century.

Mots-Clés: Occupy, Occupy London, Finance Activism, Movement of the Squares, consensus decision making, prefigurative politics, activism, disruptive protest
